Demi

y mom named me after Demi Moore, isn't that awesome! She's so cool, even though she's pretty old. And I totally look like her, don't you think? I know she's had way more sex than me, though, because I haven't had any! See, I just haven't found the right boy. I'm waiting for a handsome, older guy, and I've got it all planned out. First he'll kiss me all passionate before he sucks on my boobs for awhile. Then he'll start sucking on my cunny thru my totally soaked cotton undies and maybe I'll even cum. After that, well, he'll just get on top and do me! So when I find the right guy — like Ashton Kutcher, ha ha! — I won't be a virgin anymore!

Panty Raid

Tarot Tart!

I got a job at this local farmer's market and they gave me my own private tent and everything. Only I don't sell tomatoes or water-melons, I read Tarot. Yeah, it's kinda retro but I can make \$20 bucks for 15 minutes! I don't have a fucking clue what I'm doing — all I did was read a stupid book about it — but now every one thinks I'm an expert.

But the thing is, I don't always do just Tarot. A lot of times I give blowjobs to the cute guys. Slutty, I know, but I did it once and it was this total power rush so now it's like I can't help it. And it's so easy.

See, I just sit next to the guy and make sure the angel card comes up. Then I tell the guy that, ooh, there's sex in the near future. Some guys kind of skank out but most guys get excited, especially when I start touching their crotch under the table.

It's real quick after that; I just unzip 'em and have at it. Like the last guy. He was kind of scared; I'm pretty sure it was his first BJ. But I went straight for it, I told him to lean back so I could do his balls. Shit, you'd thought he'd died and gone to heaven when I started in on his 'nads, licking and slobbering all over 'em before sucking both of 'em right into my mouth. He just about popped right there!

But hey, I wanted it to last, you know? So I let go and went to work on his dick. First I licked his big, ol' head, sucking up a little bit of jizz. Then I licked 'round and 'round, you know, under the ridge and stuff, while I kept jacking him. He was so into it I had to tell him to shush so we wouldn't get caught!

After I finished slurping away at that big mushroom I deep-throated him real fast. He was so freaked he practically jumped right outta his jeans. But I pulled back quick so he wouldn't cum. Then I started licking him up and down and squeezed on his balls before I sucked him

in deep. I used lots of spit so everything'd be nice and slick and by then he was pumping fast into my mouth. Hell, he was almost falling off his chair he was shoving so hard. That's when I sucked real hard like a vacuum. That totally got him off, he made this gurgling noise and shoved his cock in so deep I couldn't even taste the cum he was pumping into me. But I kept sucking till he was totally dry.

I let him sit there for a minute, but then I got him the hell out 'cause there were a lot more guys in line, and I was ready to do it again. So, if you're cute, look for my tent and cum on in!

I'm 18 and finally in college — yay! High school totally sucked because even though I had a lot of friends in my old school, I never had a boyfriend. Then, my parents moved us to Iowa in the last half of senior year and I never really got close enough to any guys to let them fuck me!

In college, though, it's way different. I already have a guy and it's only the second month of the first semester!

Zach and I started out as just friends, but one day in the library he kissed me real soft. Then he did it again, only he used his tongue, like around my lips. From then on we kissed pretty much every time we were together and it was so hot. Then one day he started touching my boobs on the outside of my shirt and pretty soon his hand was on my pussy over my jeans. I was embarrassed because I was wet all the way through. But he liked it and he kept kissing me and rubbing me really hard until I came! Then he asked when we could make love.

I was scared, but I was excited, too, and I told him we could do it right away. So he packed up our books and went to his little apartment, just like that! He undressed me first, then got naked, so I thought maybe he'd just start doing it, but nope, instead he straddled me backward and started kissing my pussy!

His dick was hanging down in my face and I didn't really know what to do but I rubbed on it and, man, it was soft, but hard, too. I could hardly pay attention because his tongue was all over my pussy, but still I started licking it, kind of teasing the top and then sliding it in my mouth!

Then he turned me around and was kissing me. Ew, my pussy juice was on his mouth! But I could feel his thing pushing against me and so I scooted toward him. Whoop! It went right in. It was a tiny bit tight at first but only for a sec. Mainly I just felt like I wanted to get it in me, so I pushed again and even more went in. He got the idea and he started doing it then, moving in and out real slow. It filled me so deep I was kind of freaked but, oh my gosh, it felt good!

He was moving fast then so I put my hands on the headboard and pushed hard against him so he could go way deep and that's when he started groaning. I figured he was gonna do it inside of me and sure enough, he started spraying his stuff way deep in me. I mean, he squirted forever — it was awesome! We do it all the time now and it's so cool; now I feel like I'm making up for all the lost time (and cock) from moving!

I got this fantasy that I never told no one before. See, I'm at a bar and this scroungy guy bends me over the pool table and lifts up my skirt. I'm spoogin' hard and the drunks are hollering 'cuz they can see the wet spot on my purty flowered panties. The guy sticks his finger up my pussy, and then starts lubing my asshole with my juice! The drunks whoop and holler when he sticks his dick all the way up my asshole. I'm squealing and cumming like crazy while he fucks me real hard, and then he squeezes up my butthole! When he's done he zips up and leaves me there with pussy juice and cum dripping down my leg. See, ain't it hot?!

Sonia Red and Mike

I don't do sex stuff much 'cause I'm kind of scared, but my boyfriend Ray is trying to get me to go all the way. Like, he bought me this awesome girly, pink thong and when I wear it, he's all over me. Last week he got me so turned on, I had a gooey spot on my thong and he kept rubbing his penis over my wet undies. He was really hard and so I got brave and put it in my mouth! It tasted weird, but, man, did Ray like it. So I kept going till he popped off all over my boobs! Ray was real happy so I think I'll do it more often until I'm ready to go all the way!

Ice cream and Jheron

I've been fucking my friend Sharon ever since she did me with her tongue on my 18th birthday. She made me cum so hard that I knew we were gonna be lovers. But this one girl caught us and the bitch told everyone at school so now they think we're sluts. WTF? Like doing a girl is so bad. I mean, guys lick pussies, right? So why can't I? And besides, I'll fuck guys after Sharon leaves to go to CSU. Shit, if I can suck a dildo, I can suck a cock! And I bet a lot of guys'll want to do me, seeing as how they get off on girl-on-girl stuff. But I guess no matter what, I'll still be a slut!

I know I look all sweet and straight, but I am so not! See, guys are always looking at me and how can I say no when they're so sweet? I mean, when we get ready to do it they usually suck on my clit first thing, sometimes they even make me cum. By then I'm totally ready to have a dick up my pussy and it always fills me up good. They think I'm the best lay ever because I'm so tight that my cunt practically swallows their dick and sucks the cum right out! It's awesome. I like it so much that I do it all the time, but I'm not gonna tell you how many guys I've fucked because you'd be totally freaked!

I was at this boring party at my daddy's club, but then this cute waiter came up and asked if I wanted to go out back to have a cigarette. I knew what he really wanted so I said, "Heck yes!" We started kissing and pretty soon he had his hand down my panties! But when he got his dick out I told him no way he could do me. Instead I wrapped my hand around his thing so I could jack him. Even though it was my first time I knew I was doing way good because he was groaning and telling me to go faster. When he sprayed all over my hand it was kind of sticky, but okay. And it sure wasn't boring!

Hot

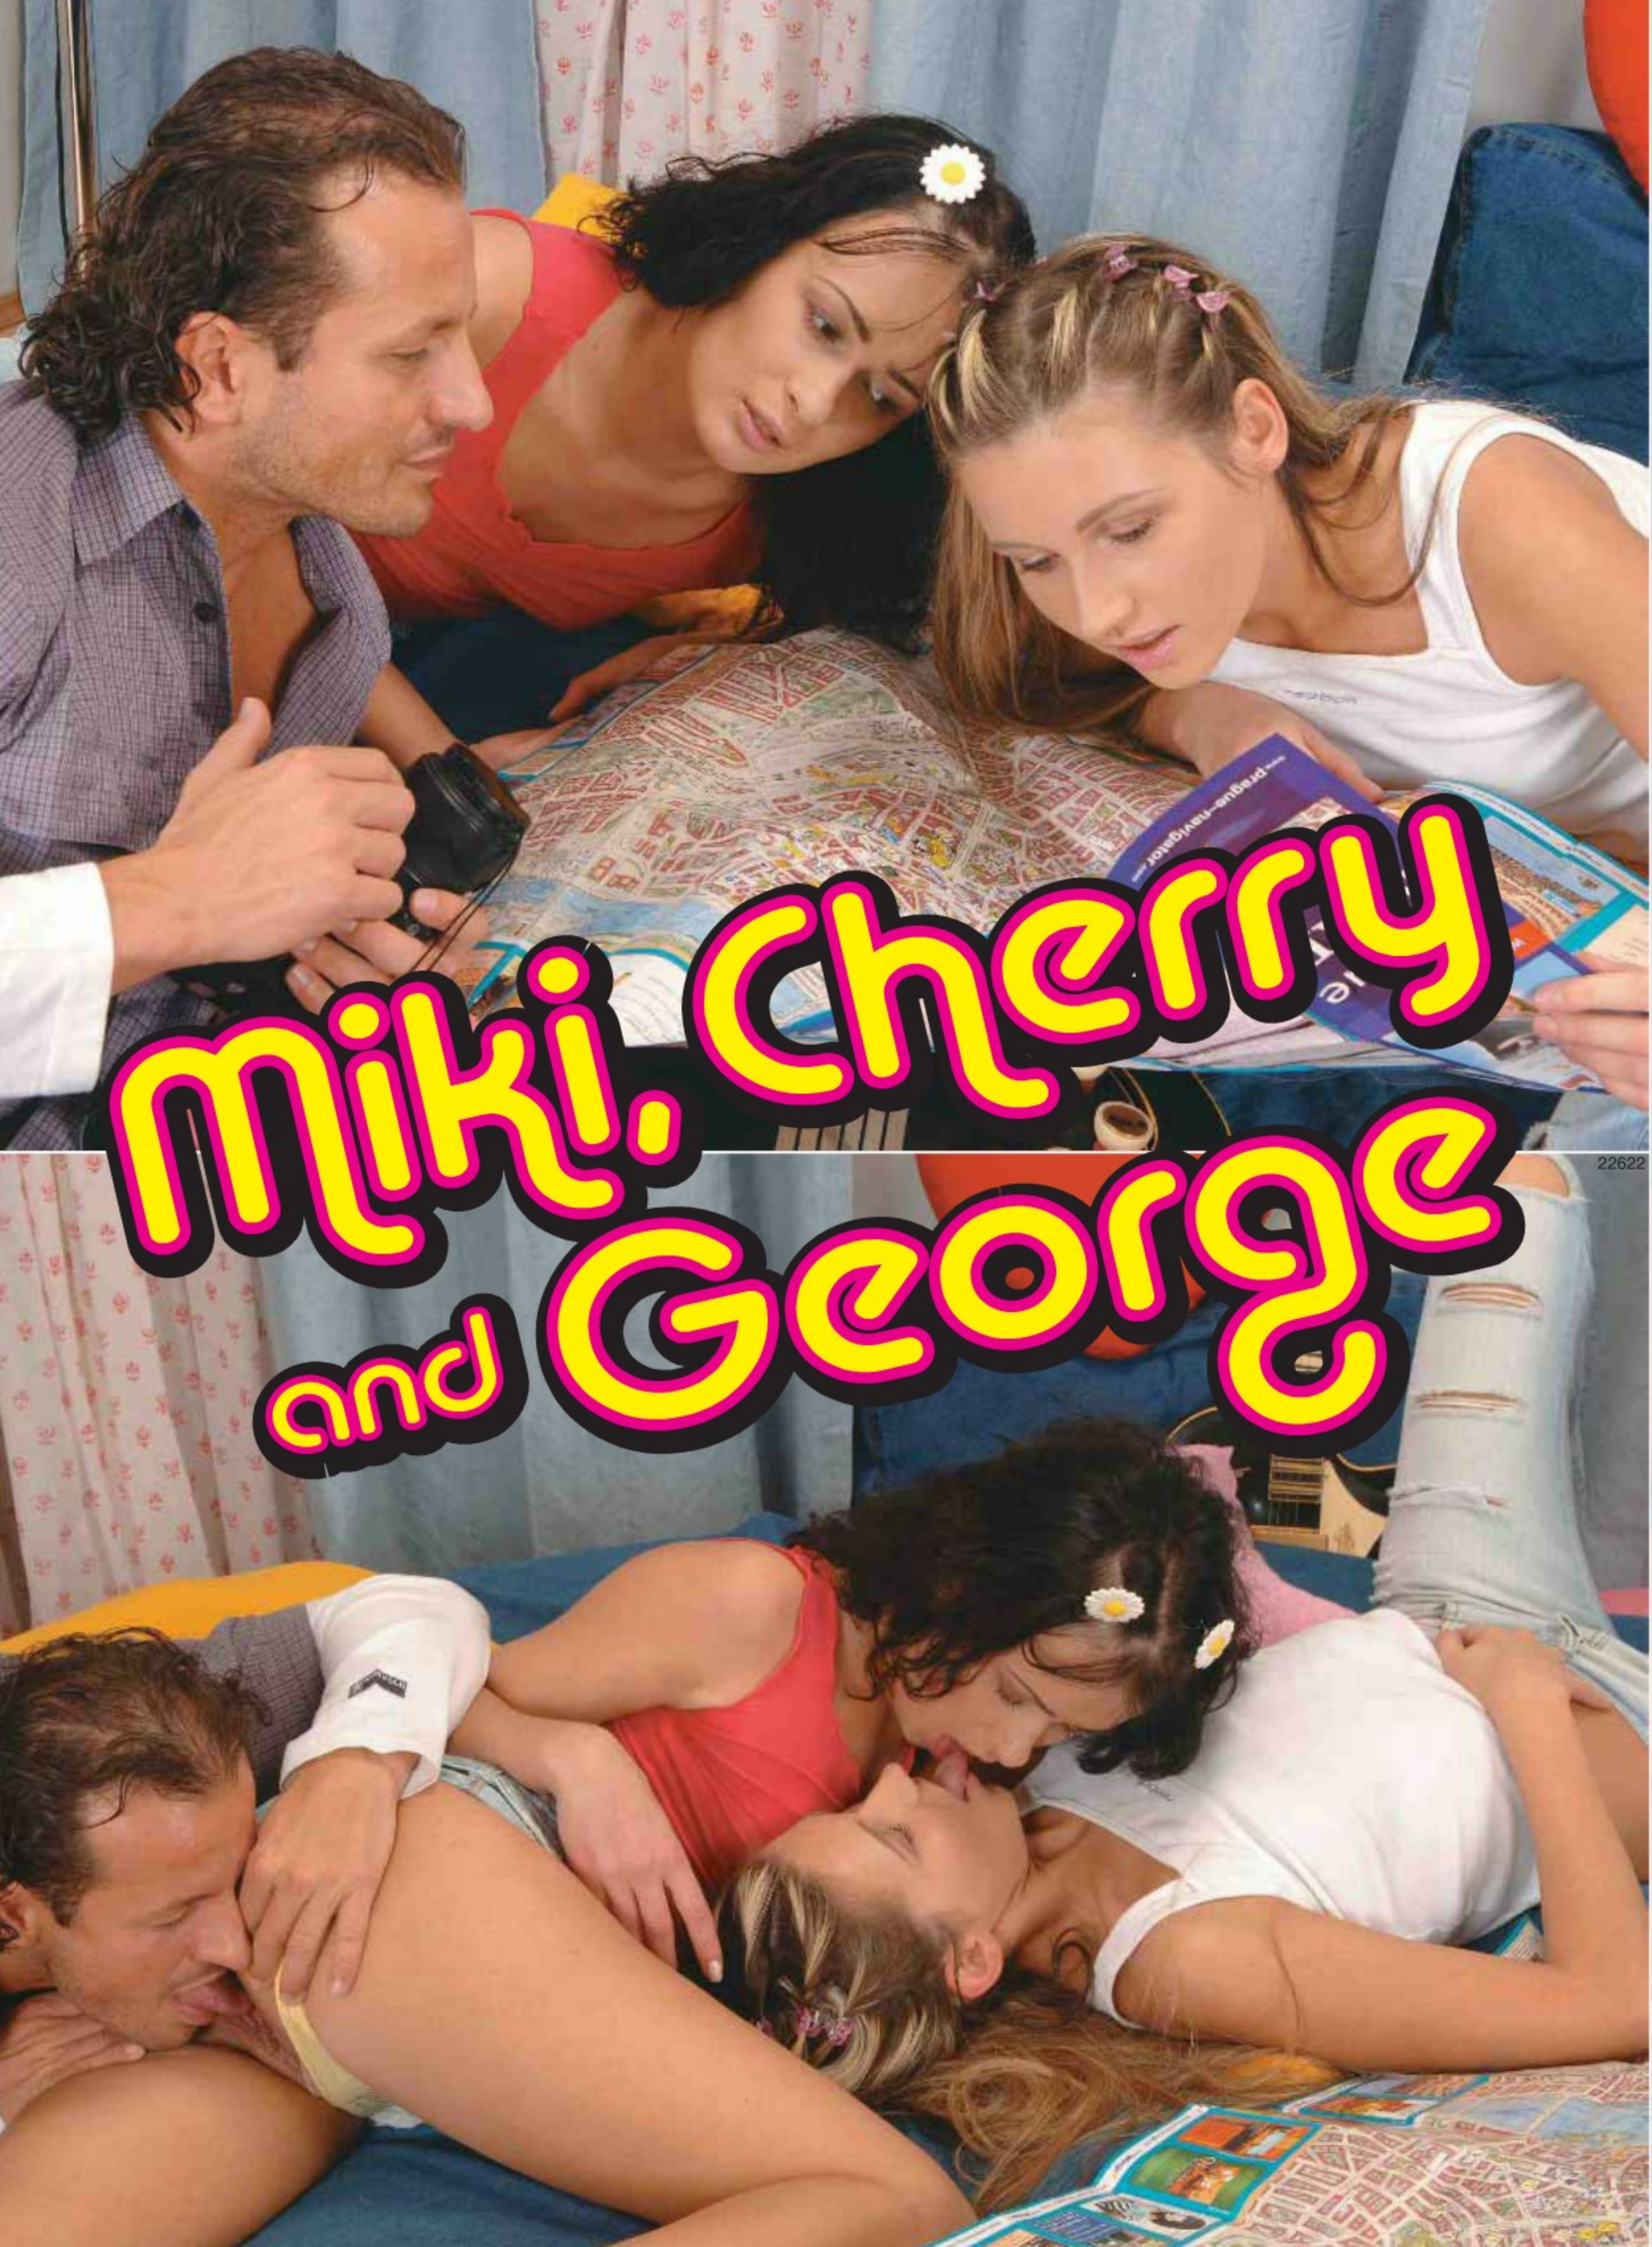

Me and this hot guy were making out to the max. But when he started sucking on my boobs, my clit started going crazy even though he wasn't touching it. Instead, his hands were squishing my big tits, plus he was sucking and slobbering all over my nips. They're way sensitive and I always tweak 'em when I make myself cum. But this was different. I mean, he just wouldn't stop, like he was sucking on 'em really hard till they got all stiff. Then he flicked his tongue just he was doing my clit. And all of a sudden my pussy started cumming like fucking crazy! And you know why? 'Cause this dude made me cum just by sucking on my boobs!

I'm 18, but I'm still in high school 'cause I got held back in senior year. For awhile I was living with my mom, but then she told me I couldn't see my boyfriend any more! (She's just jealous 'cause she can't find anyone to screw her saggy 40-year-old ass.) So, fuck it, I moved in with my boyfriend. I'm gonna try to finish school, but it's hard 'cause my boyfriend always wants to screw in the morning when he's got a big woody and then I'm late for class. Sometimes I just ditch it altogether after he fucks me and licks my pussy till I cum and cum and cum. And then he's ready to fuck me again, sometimes even up my butt!
